P. SUBBA RAO,
Executive Engineer.

SHIMOGA DIVISION.

Abstract Notification dated 3rd November 1939.

The attention of the public is drawn to the Notification, advertised in the *Mysore Gazette*, dated 9th November 1939, Part VI, on pages 2256-2258 for 'constructing a lock-up building at Sagar Town, Shimoga District.'

The last date of receiving tender is 27th of November 1939.

Abstract Notification dated 11th November 1939.

The attention of the public is drawn to the notification advertised in the *Mysore Gazette*, dated 16th November 1939, pages 2312-2313, Part VI, for 'repairing Sri Aswathanarayanaswamy temple at Mihishi, Tirthahalli Taluk.'

Each tender must be accompanied by a Treasury Chellan for having deposited Rs. 150 as earnest money. The last date for receiving tenders is 11th December 1939 up to 4 P.M.

The successful candidate will be required to deposit another sum of Rs. 150 towards the security deposit. This will be withheld from bills.

Tender Notification.

1. Sealed tenders will be received at the Office of the Executive Engineer, Shimoga Division, Shimoga, up to 4 P.M., on Monday the 11th December 1939, for constructing a Girder Bridge with 12' road width across the River Dandavathi in Sorab Taluk (5/6 of Sorab-Anavatti Road).

2. Tenders in the prescribed form obtainable from the Office of the Executive Engineer, Shimoga Division, should be addressed to the Executive Engineer, Shimoga Division, in a sealed cover and superscribed as "Tender for constructing a Girder Bridge with 12' road width across the River Dandavathi in Sorab Taluk." The name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a duplicate challan for having credited into the Treasury the deposit of Rs. 1,500 under "17 (*a*) Public Works Deposits" or Mysore Government Bonds, duly endorsed at face value or market value whichever is less as earnest money. The earnest

money of the successful tenderer will be retained as security deposit for due fulfilment of the contract. Such a deposit in cash will not carry any interest.

4. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's Office in due course. Within 6 days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the departmental schedule contract form for the due fulfilment of the contract and for the execution of all items of work in accordance with the Bombay Specifications (1931).

5. Failure to comply with the condition 5 above or to agree to carry out the work in accordance with the specifications and agreements in force will entail forfeiture of the earnest money.

6. The earnest money of the rejected tenders will be returned on submission of the receipt originally granted, along with an application to the Executive Engineer.

7. Copies of contract documents, schedules and drawings may be seen at any time at the Executive Engineer's Office, Shimoga, on all working days between 11 A.M. and 5 P.M. and may be obtained from that officer on payment of Rs. 5 for each.

8. Specific rates should be given for each item in the schedule accompanying the tender and the rates should be in rupees, annas and pies and expressed in words and figures. Tenders offering a percentage reduction on the estimate amount will be rejected.

9. For baling work a fixed lumpsum quotation may be given after inspection of site and full enquiry. This sum will not be liable to alteration as per actuals and no claims will be entertained beyond the quotation.

10. Any rates or lumpsum amounts for the items not called for if tendered by the tenderer, will not be taken notice of. The rates for such items may be entered in a separate schedule with data and reasons for the same.

11. No alterations which are made by the tenderers in the tender form in the nomenclature, of the items of work will be recognized and if corrections are made, the tenders are liable to rejection.

12. There should be no alterations or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to and the number of corrections, if any, in each page noted at the foot of the same by the tenderer.

13. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of work not tendered, the rates for the same will be calculated by the Executive Engineer on the basis of current rates for materials and labour with a contractor's profit at 5 per cent.

14. The quantities given in the schedule are only approximate and the drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions or additions at the discretion of the Executive Engineer or his representative. The tendered rates will hold good for any quantity whether higher or lower than those given in the enclosed schedule.

15. The works should be completed and handed over in a tidy condition to the Public Works Department by the end of May 1941 giving a monthly progress of not less than Rs. 2,000 from the date of commencement mentioned in the agreement, failing which the Executive Engineer may at his discretion, levy a suitable penalty per day which will ordinarily be calculated at 12 per cent per annum on the total outlay as liquidated damages for non-fulfilment of contract and will be recovered from the contractor's outstandings for the period exceeded by him beyond the time fixed and until the work is completed and handed over.

16. The contract should not be sublet.

17. All materials, tools and plant and machinery that will be supplied by the Executive Engineer in the interest of the work shall be accepted by the tenderer at the rates fixed by the Executive Engineer. The tenderer will pay the hire on tools and plant and machinery as per rules from the date of taking over of such machinery, tools and plant from the Stores to the date of return thereto, the dates considered being the dates of acknowledgments of the vouchers in each transaction.

18. The contractor should arrange for the payment of royalty and tolls.

Note:—(*a*) The contractor should at his own cost:—

(1) Provide rods, stakes, ropes and labour required, in setting out the works.
(2) Provide all necessary scaffolding, centering, labour and appliances for hositing.
(3) Provide mortar mills and sheds to keep materials under cover and also for workmen.
(4) Arrange for protecting work during inclement weather.
(5) Supply requisite temporary lights, water cisterns, water pumps and hoses, sieves, parahs, shoring, strutting and other requisite protective appliances during the progress of work.
(6) Clean away all dirt, rubbish, superfluous materials and debris as they accumulate.
(7) Supply water required for work and workmen and shall provide temporary latrines and drains.
(8) Provide arrangements for pumping and baling of water wherever and whenever necessary with his own pumping apparatus, including necessary leading drains, slump pits, etc.

19. A deduction of 5 per cent will be made in the work bills towards the security deposit for the due fulfilment of the contract.

20. "Chamundi Brand" cement alone should be used for all cement works.
21. If cheques are drawn on Bank, such cheques should be forwarded to this office far in advance of the due date to facilitate realisation before the due date of the tender.
